

Genealogical Research Society of New Orleans

Membership Benefits as of September 1, 2023

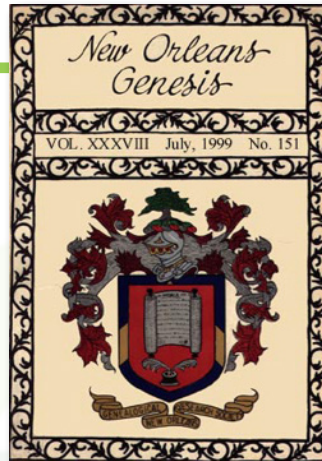

The Genealogical Research Society of New Orleans is an all-volunteer, nonprofit organization established in 1960 to foster an interest in family research and to encourage preservation of genealogical records in New Orleans, and in Louisiana and the Gulf Coast south. **As a member, you can meet others who enjoy learning about genealogical research, sources and methods.**

Members can learn from a variety of speakers on genealogical and archival research topics at our general membership meetings. These are held at 7 p.m.

on the third Monday of March, April, May, September, October and November on the first floor of the Jefferson Parish East Bank Regional Library, 4747 W. Napoleon Avenue. Members can also attend virtually on Zoom.

Members will get our journal, *New Orleans Genesis*, in electronic PDF form in April and July, and in print in October. That one will include important articles from the PDF editions and our

newsletters. We have published *Genesis* since 1962. Members can submit their own articles, family histories, and unique genealogical records they have compiled, to: The Editor, *New Orleans Genesis*, P.O. Box 51791, New Orleans, LA 70151-1791, or email us at admin@grsno.org.

Members get a monthly email newsletter and full access to our website, <https://grsno.org>. This includes digitized back issues of *New Orleans Genesis*, which makes it easy to find your

favorite articles, or review one of the many unique indexes of Louisiana genealogical records we have published. This can save you many hours! Members can also upload their own family trees and share this information with other members.

Optional Activities

Members can participate in optional activities offered by the Genealogical Research Society, such as field trips and luncheons. There is an additional cost for each event. Members pay only for those events they attend.

Field trips typically run for a full day with lunch included.

Research Assistance

We do not do research for individuals, but when possible we are happy to make referrals to experts and local genealogists who can do research for a fee.

Application

Individual Membership (\$40)
Family Membership (\$45)

What Are Your Areas of Interest in Genealogical Research?

What Surnames/Family Names Are You Researching?

I hereby apply for membership in the Genealogical Research Society of New Orleans and support the purposes and goals of the Society, which are:

1. To collect, preserve, and make available for the use of its members genealogical materials
2. To assist its members in tracing their genealogy
3. To ascertain the location of public and private records
4. To preserve and duplicate records in order that they may be available to students of genealogy
5. To aid in investigations of this nature, by combining the efforts and resources of its members
6. To publish from time to time genealogical materials and information
7. Generally to foster and encourage knowledge of genealogy and the techniques of genealogical research
8. Advise members of other seminars and group meetings

Your Signature:

Date:
